With the year well advanced and the Club set for another successful season the future looks bright although, with the changeable weather, one could be excused for leaving the bike in the shed on more than one occasion. Not so the bold members of Beds Road, who have been out at the weekend and midweek throughout the year, in rain, snow, gales, frost and glorious sunshine. We're either a hardy bunch, or weak in the head! Having no Annual Dinner and Prize Presentation last year, due to lack of support, we are trying a fresh approach for 2019. This year there is to be a curry

night in a local restaurant. Any prize winners present will receive their awards, but the focus of the evening is to enjoy a good meal.

The gleaning of information is still a problem. For example, all race results are now recorded on line but there are no results shown for the last three NDCA events on either NDCA or CTT web sites. Luckily the timekeeper has his paper copies and was able to dictate them over the phone. This is not the case for the last round of the Muddy Monsters series, so if you have any information please pass it on so that we can complete the records. TAB

Magazine distribution

Please read carefully.

Members for whom we have no e-mail address will continue to receive the magazine in the post.

Members for whom we have a current e-mail address will receive an e-mail containing a link to the Club web site, where the magazine can be read or downloaded. If this does not happen it means that we do not have your correct address and you should contact the Editor as soon as possible.

Members with an e-mail address, but who prefer to receive a paper copy, can still do so by contacting the Editor (details on back page.)

British Library

A copy of this magazine is kept in the British Library and forms an important part of the Club History. It is vital therefore, that accounts are as complete as possible. Would you all please send results, reports and stories to the Editor so that a true picture of Club activities is recorded. (See back page for addresses)

Go Ride - Muddy Monsters

Races are held in age-groups - Under 8's, 10's, 12's, 14's and 16's. There are 3 races per age group per event. The first race (A) is a sprint followed by a longer endurance race (B) and then a handicap, which is just a fun race with no points awarded, in which riders set off at intervals depending roughly on their performance in the previous races. In case of a tie the higher position in race (B) takes the lead.
